

Friday, May 24, 11:00-12:30

Café Europe I: European Nano Funding

Tomas Löfwander (Chalmers University of Technology, Sweden)

Flagship "Graphene" (30 min)

Martin Kern (SERI):

Horizon 2020 (5 min)

Marion Tobler (euresearch):

Opportunities for Nano (5 min)

Sebastien Vaucher (Empa):

Nano and COST (5 min)

The Presentations will be followed by table discussion in the Café (45 min)

Friday, May 24, 14:00-15:30

Café Europe II: Regulation & Dialogue

Four introductory talks (10 min), followed by table discussions in the Café (50 min)

Peter Gehr (NFP 64, University of Berne):

Opportunities and Risks of Nanomaterials

Sergio Bellucci (TA-Swiss):

Technology Assessment for Nanomaterials

Christoph Studer (BAG):

Nanoregulation in Switzerland and Europe

Jürgen Höck (TEMAS):

Nanosafety: Regulatory tools for industry
