

Are you a recent Swiss START-UP in Nanotechnology? Join us at the SNC-2023 !

At the Swiss Nanoconvention 2023, we are launching a friendly competition between Start-Ups in Nanotechnology that were founded between 2017-2022. You can present your Start-Up in front of the SNC audience in a dedicated session. The winner will receive the **Nanotech Start-Up Prize** of CHF 10'000 sponsored by the Swiss Nano- and Microtechnology Network (Swiss MNT).

How to participate: Submit a short description of your Start-Up of **max. two A4 pages** directly to Lorenz.Herrmann@empa.ch containing information on your product, when and where your idea was born, when the Start-Up was inaugurated, weblink, fact numbers (start date, current size, revenue etc.), what businesses you are targeting and how you see your short to midterm future.

Submission Deadline: 7th of April 2023

Preselection: A committee of the Swiss MNT Network will select a maximum of 8 applications who will be invited to join the Nanotech Start-Up session at the SNC.

Showcase at the SNC: The selected Start-Ups will get 10-15 Min. (depending on the number of invited Start-Ups) to present their cases to the audience. To select the winner, we will use an electronic voting system and all persons in the room can rate your Start-Up / presentation.
