

Are you a Swiss START-UP in Nanotechnology? Join us at the SNC 2025 !

At the **Swiss NanoConvention 2025 in Brugg-Windisch**, we are launching a friendly competition between Start-Ups in Nanotechnology that have been founded between 2019 and 2024. You can present your Start-Up in front of the SNC audience in a dedicated session. The winner will receive the **Nanotech Start-Up Prize** of CHF 10'000 sponsored by the Swiss Micro- and Nanotechnology Network (Swiss MNT).

How to participate: Submit a short description of your Start-Up of **max. two A4 pages** directly to: start-up@swissnanoconvention.ch
It should contain information on your innovative nano product or -process, when and where your idea was born, when the Start-Up was inaugurated, weblink, facts & figures (current size, revenue etc.), what businesses and markets you are targeting and how you see your short to midterm future.

Submission Deadline: 18th of April 2025

Preselection: A committee of the Swiss MNT Network will select a maximum of 5 applications, who will be invited to join the Nanotech Start-Up session at the SNC.

Showcase at the SNC: The selected Start-Ups will get 8-15 Min. (depending on the number of invited Start-Ups) to present their cases to the audience. To select the winner, we will use an electronic voting system and all persons in the room can rate your Start-Up and the pitch.
